

Felipe Mach Gelbert Barreto

Miami, FL | 714-916-2431 | felipe_mach@berkeley.edu | LinkedIn | GitHub

Hailing from Brazil, Felipe is a recent graduate of UC Berkeley (Go Bears!) who is passionate about economics and data science. Driven by curiosity, he is self-taught in Python, Java, and SQL. He is also fluent in three languages. Felipe is proactively looking for his next opportunity where he can utilize his quantitative analysis, programming, and financial modeling skills to solve complex problems and deliver impactful insights.

EDUCATION:

University of California, Berkeley

Bachelor of Science in Economics
Minor in Data Science
